

Data Sheet

For fire safety equipment that perfectly combines high performance with stunning aesthetics, look no further than the Contempo fire extinguisher range.

Now PFAS-free across the range, Contempo offers an industry first; mandatory fire safety equipment that's not only more eco-friendly, but also complements the very finest interior design.

CONTEMPO WATER FIRE EXTINGUISHERS

The Contempo water stainless steel and gold fire extinguisher range has been designed for installation in Class A fire risk areas (those home to combustible materials, such as wood and paper) where appearances are important.

Opt for fire safety equipment you're proud to display with Contempo.
